From the rising of the sun to its setting
Let our lives be a song of praise
By the way we live
By the love we give
God will show us who we are

Caring for the body
 every day in every way
Nurturing our souls
 every day in every way
In our daily living
We are made whole
 every day in every way

Refrain

Gathering as family
 every day in every way
Gathering as friends
 every day in every way
Modeled by the life of Christ in whom our life depends
 every day in every way

Refrain

Jesus came to show us how to live
A life filled with love
In every daily act and thought
We grow closer to God

Refrain (2x)
